dof.virginia.gov

April 8, 2014

Dear Urban Forestry Partner:

The 2014 Urban and Community Forestry Assistance grant application package is now available.

In keeping with the Commonwealth of Virginia's efforts to reduce printing costs and improve access to state programs via the internet, our agency will not mail hard copies of the grant application package this year unless requested. Rather, we have made the application package available on our agency web site at dof.virginia.gov, link to [Grants and Financial Incentives](#) on the bottom right side.

Proposals must be received by the Virginia Department of Forestry before 4:30 P. M. on Thursday, May 22, 2014. Please mail four (4) copies of your grant proposal for our use in scoring.

The Virginia Department of Forestry will accept project proposals from local governments, 501-c3 non-profit organizations, and public educational institutions. Eligible project categories are described in detail in the grant application package and briefly described on the enclosed flyer.

To obtain a copy of the grant application package, go to dof.virginia.gov or to request a hard copy, contact Barbara White at 434.220.9041 or Paul Revell at 434.220.9029 or Becky Woodson at 434.220.9024.

You may also E-mail us at Barbara.white@dof.virginia.gov or becky.woodson@dof.virginia.gov or paul.revell@dof.virginia.gov or you may request a package in writing by directing your request to the address shown on this letterhead.

These funds are provided by the **USDA Forest Service, Urban & Community Forestry Program** and are administered by the Virginia Department of Forestry.

Sincerely,

Barbara White

Urban and Community Forestry Partnership Coordinator
